

Elite Israeli Self Defense

Krav Panim El Panim - KAPAP קרפ"פ is the Hebrew acronym for **“Face To Face Combat”**. It is the original combat system of defensive tactics, hand-to-hand combat and self-defense, employed by the Israeli defense and security forces, the Israeli national Police, and its special operations and anti-terrorist units.

KAPAP Academy Australia is headed by experienced instructors who have “real world” international experience in law enforcement, military and special operations roles throughout Asia and the Middle East, and have trained specialist police and security personnel throughout the world in defensive tactics and personal safety.
